

## Shabbat / Hag — Pre-Candle-Lighting Checklist

Complete before candle-lighting. When phones are off, sirens are your only alert.

**Two-person drill:** one person reads the CALL column aloud, the other responds. Alternate roles each time.

**Solo:** read each call aloud, then answer it yourself.

|                                                                                     | ITEM                                                                                                                                                                                | CHECK                                                                                                                        |                                                                                 |
